

Year 5 Celebration Day

Tuesday 15th January

Dear parents or guardians,

We are pleased to inform you that on Tuesday 15th January, Year 5 will be having a celebration day exploring our new topic, the Earth and Space. On this day, we wish to invite the children to dress up in clothes inspired by Space or smart scientist clothes (school trousers and school shirt) or anything from aliens to astronauts to professors. The children will spend the day doing many fun activities based on our topic, which will include a visit from The Space Centre, who will transform the hall into a space dome! Also, the children will participate in a Science workshop staged by Science enthusiast, Atomic Tom.

If you have any questions please do not hesitate to contact us. We are really looking forward to the day!

Thank you from the Year 5 team!
