

## Year Four Punctuation & Grammar Areas

Understanding the difference between plural –s and possessive –s

Subject-verb agreement (Standard English - we were, not we was)

Fronted adverbials

Expanded phrases using a range of modifiers

Pronoun/noun cohesion

Full, correct punctuation to mark direct speech

(punctuation prior to speech, inverted commas/capital/closing punctuation)

Apostrophe for plural possession

Comma after fronted adverbial

Terminology to be used:

*determiner*

*pronoun, possessive pronoun*

*adverbial*
