

# Miss Philpott's Maths Homework

Set: 08.02.19

Due 13.02.19

Vocabulary – Please copy the words below into your book and write their definitions (you may use a dictionary and give examples!)

- Analogue
- Digital
- 24 hour
- Am/pm
- Hours
- Minutes
- Seconds

**Mental Objective:** To be able to convert between 12 and 24 hour times

<u>12 hour digital</u>	<u>24 hour digital</u>
10:10pm	
08:30am	
07:50pm	
	00:15
	20:20
	23:45
01:25pm	

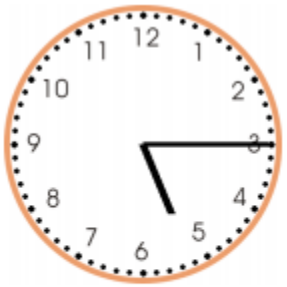

Top Tip:  
 24hr = 00:00 – 23:59  
 12 hr am = 24 hr are the same  
 (except 12am = 00:00  
 And 12pm = 12:00)  
 12 hr pm you need to + 12 for 24  
 hr pm

Times table challenge:
