

Year 2 Maths Homework

Date Set: Friday 7th June 2019

Date Due: Wednesday 12th June 2019

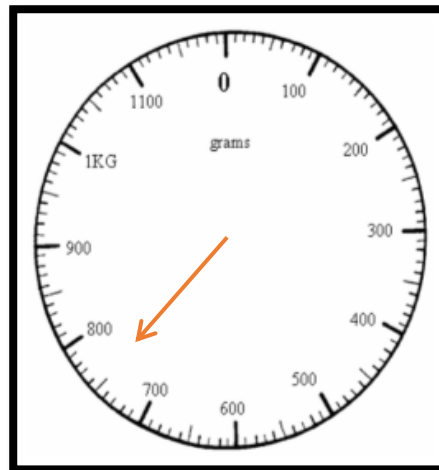

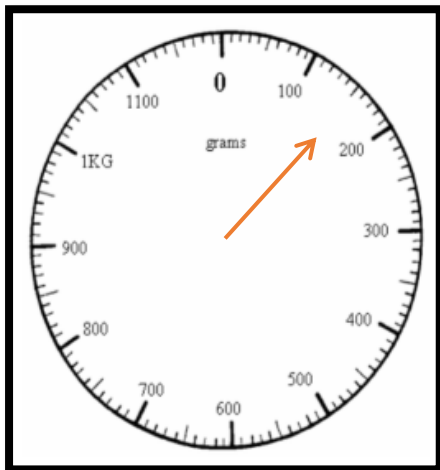

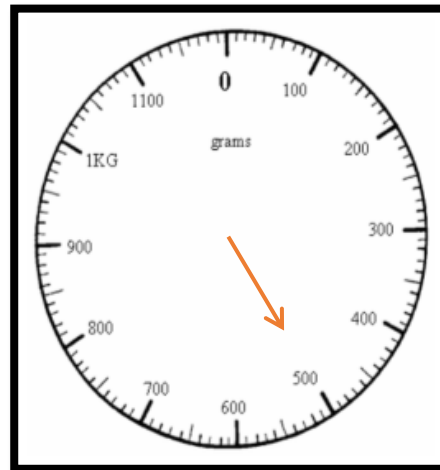

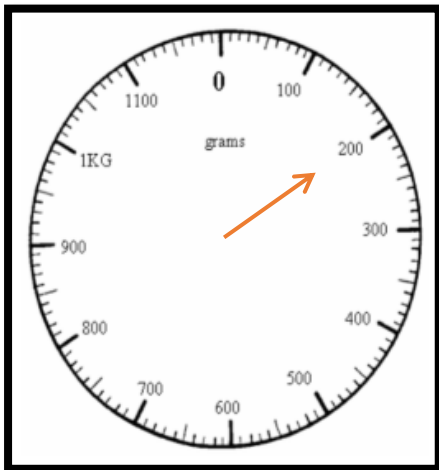

Mental Objective:

Recite your number bonds to 5.

Recite your number bonds to 10.

This week, we have been looking at reading scales involving weight. For your homework, we would like you to read the scales below and write the measurement. Don't forget to add your unit of measure!

Vocabulary: Weight (how heavy), grams (g), kilograms (1kg) $1000\text{g} = 1\text{kg}$
