Aim 3

Preston Hedges have secured blocks of practical tennis sessions in conjunction with the Northampton Lawn Tennis Centre. These sessions will enable all children in 3 year groups, (Year 1, 2 and 4) to receive tennis tuition from a qualified tennis coach. Following this in July, Years 3, 4 and 5 and 6 have participated in a 'Wimbledon' style practical tennis experience day, at the Lawn Tennis Centre.

Cricket which has always been part of the summer term PE curriculum, will be supported by a local cricket coach. Key skills that are evident in a range of sports, such as good hand-to-eye coordination for batting, bowling and fielding will be practised. Year 5 and Year 2 have received weekly cricket sessions in term 6.

Each year trampolining proves very popular with our Year 4 children. This unique curriculum experience has introduced trampolining to some children and helped develop the skills of others, all within an Olympic purpose built sports arena.

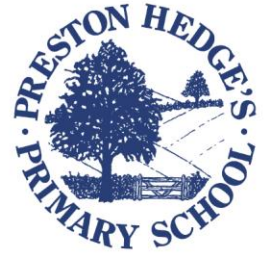

On Wednesday 28th February 2018 Year 6 children went to iFly Indoor Skydiving Centre at Milton Keynes. Our Year 6 children experienced a practical session in a wind tunnel, as well as an active science based learning experience, building and testing a wind powered vehicle. Preston Hedges are keen to offer Year 6 children the opportunity to participate in what maybe for some, a once in a lifetime opportunity that is fun, creative and memorable.
