

# PE and School Sport Premium 2018/2019

*Evidencing the impact and sustainability of the programme*

## PE and School Sport Premium – The Purpose

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2018 to 2019 academic year, to encourage the development of healthy, active lifestyles.

## Vision - Government

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport

## Vision – School

As part of our Trust philosophy of ‘Fun, Creativity & Achievement’ we believe in providing educational experiences that are exciting and engaging for our pupils. This is equally important with regard to sport within school, as providing a range of differing sports where children can find out which sporting activities enthuse them, and building an ethos that supports healthy competition, aspiration, perseverance and determination is key to our integral school values.

## Objectives

Schools must use the funding to make **additional and sustainable** improvements to the quality of physical education (PE), physical activity and sport they offer. This means that we will use the premium to:

- i) Develop or add to the PE, physical activity and sport activities that your school already offers
- ii) Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future year
- iii) To increase pupil participation in the competitive sport ensuring more pupils take part in more events.

## Review of PE and School Sport Premium expenditure 2018/2019

Key priorities to date	Year End Impact	Sustaining and improving next year (2019/2020)
<p><b>Key outcome indicator 1:</b> Broader experience of a range of sports and activities offered to pupils</p>	<p>All pupils from Year 1 up have taken part in an activity that is additional to our core PE curriculum. Y1 – 6 have taken tennis sessions supported by a qualified tennis coach , culminating in years 3-6 holding a mini Wimbledon tournament at Northampton Lawn Tennis. Yr2 have had weekly martial arts training in Term 5&amp;6, and Yr3 have had a day martial arts training and have had a term of sports at the local high school. Y4 have had additional dance with a qualified dance teacher and snowboarding/sledging at Xscape, Year 5 have had a day of archery and weekly cricket sessions with an experienced county coach (working alongside and providing training for class teacher), and Y6 have been indoor skydiving. This was intended to encourage excitement for a range of sports, and qualitative evidence taken from PE Leaders from the children shows clear engagement. Martial Arts has been shown to be very popular, and we will increase offerings for this next year. We have also had additional sports coaches in Year 5 &amp; 6 to work alongside our teachers to develop our teachers further and give children specialist training in team sports, building co-ordination, agility and team work.</p>	<p>Next year we will continue to offer periods of time to a range of offerings within the PE sessions, but we are also carrying forward some of this year’s funding to provide lunchtime clubs to widen the range offered further.</p>
<p><b>Cost Breakdown - Indicator 1</b></p>	<p>Specialist coaches: £4897 Coach to mini Wimbledon event - £468 Travel to Xscape - £322 Skydiving workshop - £1500 Total: £6865 Carry forward to fund additional clubs next year- £1750</p>	
<p><b>Key outcome indicator 2:</b> Increase capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future year</p>	<p>Purchase of Real Legacy Program . This will enable all teachers to deliver the quality curriculum based on progressive and differentiated skills. It will also enable us to build PE leaders within the school, and embed a wider wellbeing side to physical health. Initial training has been delivered for teachers June 19. In school training is paired with PE Team training to ensure high quality sporting provision and support is in place in each classroom.</p>	<p>We have made the first payment, but approx. a further £2000 has been carried forward for next year, with a following £3500 to be paid in year 2020/2021  A further £500 is carried forward to support PE leadership to deliver on our Sports Premium objectives.</p>
<p><b>Cost Breakdown - Indicator 2</b></p>	<p>Initial payment - £1469 Carried forward form 2018/2019 funding - £2500</p>	
<p><b>Key outcome indicator 3:</b> To increase pupil participation in the competitive sport</p>	<p>This has been very successful as there has been wider sporting provision across the school year groups than had been in place in the predecessor school, and a wider range of</p>	<p>We have carried forward funding to allocate time for clear tracking of pupil numbers, ensuring a wider group of children take part</p>

<p>ensuring more pupils take part in more events.</p>	<p>competition. Previously hockey and cross country were the most prevalent competitions for Y5 &amp; 6 pupils.  This year:  We have taken part in the Northampton School Games in the following competitions:  Cross country (where one of our pupils came 2<sup>nd</sup> overall)  Hockey – tournament champions  Kwikcricket – finalists  Archery  We have also engaged in competition between schools within the Trust, engaging in a range of sports that the school had not competed competitively in prior to this:  Y1 MAT Multiskills Competition  Y2 MAT Multiskills Competition  Y5 &amp; Y6 Boys’ Football  Y5&amp; Y6 Girls’ Football  Y5/6 Netball  We also hired out Bedford Stadium for a day of sport for Y6 in an Athletics ‘Olympics’ competition.</p>	<p>in the competitions next year. A further £500 is carried forward to support PE leadership to deliver on our Sports Premium objectives.</p> <p>We have also allocated MAT Sport leadership funding for an individual in the Trust to organise Trust competitions so that all year groups benefit from competitive sport next year.</p> <p>We are carrying forward funding for more kit, as we currently only have enough for one football/netball team and as we increase our numbers we need a wider range of sizing and kit (winter and summer)</p>
<p><b>Cost Breakdown - Indicator 3</b></p>	<p>Joining SLA - £220  Provision for MAT leadership role in Sept - £1000  Resources (Kit for teams etc) - £1716  Competitive practice equipment - £660  Travel - £2029  Supply cover for PE Team attending competitions - £510  Total: £6135  Carried forward  £500 Leadership  £281 – kits</p>	
<p><b>Total Spend 2018/19</b></p>	<p>£14469  Carried forward £5031</p>	

## Meeting national curriculum requirements for SWIMMING and WATER SAFETY

The school joined the Trust in September 2018. IN December 2018, we have negotiated a free one day a week afternoon access to a local high school swimming pool.

As a Trust, we believe in the importance of learning early, and next academic year, begin swimming lesson in Term 1 & 2 with Y3, Term 3 & 4 with Y4, Term 5 & 6 with Year 5, with an aim that children are proficient prior to entering Y6.

We have 2 teachers who are also qualified swimming instructors within the school, and therefore, this year, have managed to support swimming without the Sports Premium, but next year we will need to use some premium in order to facilitate cover.

We do not have access to the predecessor school's curriculum content, but our Y6 pupils in 2018/2019 showed the following outcomes.

Outcome	% of pupils achieving outcome
	2018/2019
Swim competently, confidently and proficiently over a distance of at least 25 metres	77%
Use a range of strokes effectively; front crawl, backstroke and breaststroke	68%
Perform safe self-rescue in different water-based situations	87% of pupils feel confident in this.  18% pf pupils have passed a water rescue certification
