YEAR 6 GRAFFITI ART WORKSHOP

Year Six had a fabulous 2 days with our graffiti artists, where they were taught several different spray techniques including; can control, filling in and outlining.

Throughout the sessions, the children were taught how to use graffiti in a positive way, as well as learning its history, all whilst having lots of fun!

It was a fantastic way to introduce the children to our new curriculum topic on Vietnam.

The sessions will happen at our sister school, Pineham Barns Primary School, who have a dedicated cooking/DT room.

The practical sessions will look at how to cook healthy meals, cater for the occasional fussy eater and support all round healthy diets. It will of course include some yummy dishes to take home with you! If you are interested in this course, please express your interest at the school office or e-mail claire.clayson@prestonhedges.org
