

Our Kidslingo-Spanish clubs are coming back.

We are delighted to announce that our multi-award-winning clubs can finally restart!

Learning a language at a young age helps children to grow in self-confidence and boosts their natural creativity. There is a fantastic window of opportunity during these precious years where children can absorb a language without even realising it!

In our clubs we limit the number of children to 16. Smaller groups mean more interaction which ensures faster progression whilst consolidating what they learn during their curriculum lessons.

At Kidslingo, we are dedicated to teaching Spanish through fun. We cover a wide variety of topics such as dinosaurs and superheroes. We use stories, games, songs and drama to bring language to life.

Here is some information about our **year 2 Wednesday 12:30-13:00 club**:

- **Due to Covid restrictions, we are keeping to the year bubbles that are already in place in the school.**
- **Starting on Wednesday, 14th April 2021, 12:30-13:00 (16 children maximum)**

- **Free membership to our online language games platform that they can use from home which has been tailored to suit our topics.**

The classes are amazing! They do a wonderful job teaching my 3 children by engaging and challenging them all while having fun. They are super proud when they use the words/phrases outside the club. (Jessica G)
