

We hope this newsletter finds you safe and well and your children are settling back into school.

Last week we held our annual AGM and we were incredibly happy to see some new faces. At the top of our agenda was how we can continue to raise funds for the school with the new restrictions in place.

As previously advertised we have started a FOPH 100 Club, where members pay £2 a month with the chance of winning the monthly first prize of £40* and in December of £100*! (*if fully subscribed). With all profits of this fund raiser going towards providing 30 VR Headsets for the school, allowing our children to learn in a very magical way.

Please email us at friendsofprestonhedges@gmail.com for an application form. We would like to start running the club at the end of October.

Leading up to half term, we are selling **Halloween Craft Bags** at £5 each. These will be on a PRE ORDER basis only, to be delivered to your child in class the Friday before half term. The craft bag will contain 3 Halloween crafts for your child and some sweets (as trick or treating is not recommended due to current restrictions). Each of these Craft bags will be packaged by people using PPE and sealed in a paper bag before being delivered to the class rooms later that week.

For over the Half term, we are also selling tickets for a ZOOM Halloween disco on Friday 30TH of October, which will be hosted by Nicky's Fancy Faces.

To book either of these please visit our website at <https://www.pta-events.co.uk/friendsofprestonhedges>

Any queries please email us at friendsofprestonhedges@gmail.com

Watch out for further information on other projects leading up to Christmas including how we will be delivering Breakfast with Santa this year, as well as some new fundraising ideas to get your children involved in.

We would love to be able to run our Christmas raffle as normal, and we will be exploring how to do this with the current restrictions. We are also looking into if we are able to run the Christmas wreath making activity that we were planning on holding prior to the “Rule of Six” coming in to effect.

Don't forget if you are in need of any extra uniform then our second hand uniform shop is available via our FOPH website. We accept donations of logo uniform to add to our stock.
