

## Introducing abm Catering Solutions

We are delighted to have been chosen by your School as their catering partner, guaranteeing unrivalled attention, expert support and most importantly, a service tailored specifically to reflect your Schools needs and values. abm is an independent company based in Warwick who have managed food services in Nursery and Primary Schools for over thirty years and currently operate in over eighty Schools throughout England. We are already operating in Northamptonshire and from 1st September, this provision will grow to provide the catering services at Preston Hedge's Primary School.

abm in partnership with the School would like to introduce our "Grow" brand to create an exciting and warm environment for the pupils. Additionally, we will be introducing a Soil Associated Bronze Food for Life standard menu that is specifically adapted to meet the needs of your School. Using our experience and by working closely with the School prior to each termly menu revision, we would adapt, evolve with trends and be flexible in our approach to ensure that you have the desired menu, however if children have identified any dishes that are not popular then we can make changes.

### Great Food

We will launch new menus aimed at meeting the demand of a more discerning pupil base, offering them popular recognised traditional dishes both meat and vegetarian, jacket potatoes, cold deli and salad bar with specified recipes using fresh ingredients. This will be available throughout each lunch service taking into consideration the use of local foods and seasonal fresh selections.

### Ordering your child's meal.

You will be able to continue to view the three-week menu and pay for your child's meal on ParentPay, the deadline for ordering a meal is 9am on the day. The cost of a meal will be £2.30

### Food Allergens

We will require to know if your child has any food allergies and have enclosed our special diet procedure, along with a special dietary request form that must be completed if your child has any dietary needs.

### Year 6

Year 6 will also be given an opportunity to choose from the deli counter

We look forward to welcoming the children in September!
