

Achieving Outstanding The little things that helped us get 1!

In June 2014 we were judged Outstanding in all areas by Ofsted under the new inspection framework. A consequence of high outcomes, excellent teaching **and crucially**, the guidance we were given pre inspection so that we were ready!

On Tuesday 27th January 2015

Members of our Leadership team will:

- Share our experience of the two Inspection days
- Outline the difference for us during the two days between 'good' and 'outstanding'
- Explain how we presented our data
- Discuss how we supported our grade of 1 for teaching
- Ensure there is time in the morning for your questions
